Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 13 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with brightening skies.

Today:
A cloudy start but increasing amounts of brightness will give some sunshine by the afternoon. Dry throughout with an initial breeze turning light. Feeling mild and pleasant in the sunshine. Maximum temperature 13 deg C (55 deg F).

Tonight:
Dry through the evening and overnight with clear intervals and light winds. Some cloud building in the east through the early hours with patchy fog forming to the west. Minimum temperature 3 deg C (37 deg F).

Sunday:
Any fog will clear through the morning, leaving a mostly dry but cloudy day with the best of any bright or sunny spells during the afternoon. Light winds. Maximum temperature 11 deg C (52 deg F).

Outlook for Monday to Wednesday:
Likely rather cloudy on Monday and Tuesday with some morning mist or fog and limited sunny spells by day. Light winds. A sunnier and breezier day on Wednesday.
